Develop your skills to become a specialist Physiotherapist in community based neurological rehabilitation.

Be part of a dynamic team of Physiotherapists, Occupational Therapists and Speech Pathologists.

- Gain experience in empowering your clients to make changes in their day to day life to improve their daily function
- Varied ABI/SCI/neurological caseload
- Excellent mentoring program and ongoing professional development.
- Flexible hours; enjoy work-life balance, choose your own work hours.
- Managing your caseload with support from highly experienced senior clinicians
- Competitive remuneration and allowances

Independent Rehabilitation Services (IRS) is Melbourne's leading provider of multidisciplinary community-based neurological and general rehabilitation for private and compensable clients. Founded in 1999, we have a reputation for quality and integrity in service provision as we were the first service of this kind to provide team based care in the community.

Independent Rehabilitation Services has a team of over 20 experienced Allied Health clinicians providing Physiotherapy, Occupational Therapy and Speech Pathology across greater Melbourne or at our rooms in Ashburton. We need to expand our team due to ongoing demand for our services.

The successful clinician will have:

- Experience with treatment of patients with neurological conditions
- Excellent problem solving and organisational skills
- Outstanding communication skills, reflection skills & time management.
- Ability to work collaboratively as part of our team and the broader community
- Current drivers licence and car
- Full AHPRA registration
